Pleasure-Way

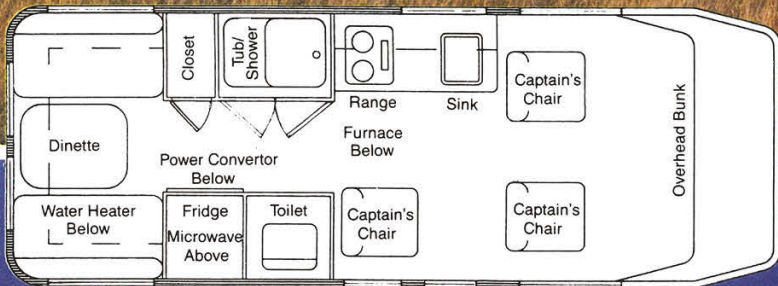

the only road to
travelling luxury and versatility . . .

Pleasure-Way Industries is proud to introduce our Class B Motorhomes. The **Pleasure-Way** Model ST, MB and the **Pleasure-Way** Horizon.

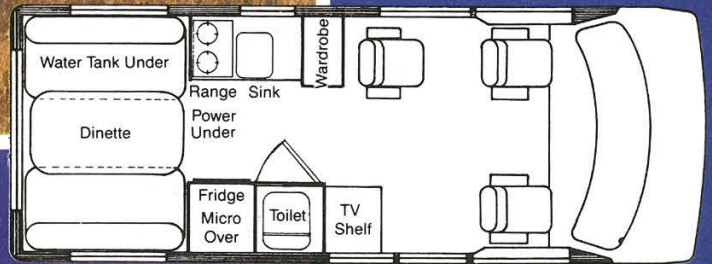

All models offer the conveniences of larger motorhomes and give you the comforts needed for long distance travelling. The luxurious interior, with a fully equipped galley, flush toilet, microwave oven and electronic furnace makes the Pleasure-Way a versatile motorhome that can also serve as everyday transportation. City streets, parking lots and narrow roads that can pose a serious problem for a conventional motorhome are no problem at all for Pleasure-Way. The Pleasure-Way model ST gives you an aerodynamic design with a sleek fiberglass roof that minimizes wind resistance, providing excellent fuel economy and easy handling. Read on and find out for yourself why first class styling, comfort and design has made **PLEASURE-WAY** a clear value leader. At **Pleasure-Way Industries** we still care about quality and personal luxury.
